GEL MEMORY HIGH AND LOW PILLOW

Premium & durable pillow
Unlike other plush fiber is non-star,
Our memory foam will not go flat after 6
months and can always achieve an awesome
balance between support and soft

Use cool gel to make
your sleep at a comfortable
temperature on every hot summer night

- Refreshing soothing gel layer provides refreshing touch and increased support
- Relaxation and Recovery Stereoscopic design promotes restorative relief and relaxation
- Advanced Memory foam responds and ADAPTS to your unique shape for personalized comfort
- Gel pad and cover design removable function, easy to clean

ERGONOMICALLY DESIGNED PILLOW

Cervical memory foam pillow, neck and shoulder pain profile pillow, ergonomic orthopaedic sleep neck profile support pillow, suitable for side sleep, back and abdominal sleep

Reduce neck and back pain: Proven silhouette design perfectly supports and aligns your head, neck, shoulders and back.

Ergonomically designed, the side openings provide a resting place for your arms and are kept at an Angle so your shoulders don't bend over in front of you.

Removable breathable pillowcase: Breathable surface circulates air to keep your pillow cool while you sleep

Suitable for all types of people: This neck pillow is perfect for seniors, office workers, teachers and people with sleep disorders.

BUTTERFLY CERVICAL PILLOW

Special butterfly shape, neck profile, center cavity, adjustable height, ergonomic pillow has many thoughtful designs. The butterfly shape provides special armrests for your arms. The silhouette design keeps your neck at the right height and provides excellent support during sleep. The central cavity appropriately supports the head and promotes alignment of the head with the body and spine. A detachable section at the bottom allows you to adjust the height of the pillow freely.
